

Due Doyle Fanning & Alderfer, LLP Notifies Individuals of Data Security Incident

Due Doyle Fanning & Alderfer, LLP (“Due Doyle”) is notifying individuals whose information may have been involved in a cybersecurity incident.

On or about December 9, 2025, Due Doyle discovered it was the victim of a cyberattack from an unauthorized third party. Immediately upon identifying the incident, Due Doyle engaged third-party cybersecurity experts to assess, contain, and remediate the incident.

Due Doyle’s investigation, which was completed on December 30, 2025, determined that an unauthorized third party acquired certain individual personal information. Due Doyle then conducted an in-depth and comprehensive review of the compromised information to determine what information was compromised, and to whom it pertained. This process was completed on May 5, 2026. Additional efforts were made to locate proper address information for these individuals with this process recently completed on September 23, 2026. Notice letters to these individuals were mailed on October 1, 2026.

Although Due Doyle has found no evidence that information in its care has been specifically misused, the following information was potentially exposed to an unauthorized third party: first and last name, date of birth, Social Security number, driver’s license number, medical information, and financial information. **Notably, the types of information affected were different for each individual, and not every individual had all the above listed elements exposed.**

As a precautionary measure, individuals should promptly report any fraudulent activity or suspected identity theft to proper law enforcement authorities, including the police and their state’s attorney general. Affected individuals may also wish to review the tips provided by the Federal Trade Commission (“FTC”) on fraud alerts, security/credit freezes, and steps that they can take to avoid identity theft. For more information and to contact the FTC, individuals can visit www.ftc.gov/idtheft or call 1-877-ID-THEFT (1-877-438-4338). Affected individuals may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.
